## Who has contributed to the results of Arpro Solutions, LLC

@/Arpro  
designed for  
platforms:

A group of companies chosen in the market with good quality standards in various areas of activity and with high-level requirements have driven us to create a complete application platform.

Our goal of interpreting various projects contributes to our habit of creating simple applications. Combining all of this in a single set is the result of a comprehensive platform that is reliable and very interactive.

[Italian area]  
With the  
contribution of:  
Arpro – Venice  
Arpro – Udine

Today we have several installations of @/Arpro applications, through our authorized centers, (Dealers) and we are able to provide assistance in all territories.
